SUPREME TESTIMONIALS

Dear Anthony

Supreme Events were amazing for our wedding reception. So professional and were a dream to deal with leading up to our wedding day. Kept all of our guests dancing with a great mix of music we had chosen as well as adding in their own selection.

The photobooth was a massive hit & the photos are brilliant, it has been so great to look back on them in the Photo Memory Book that was provided for guests to add their photo's too and leave messages, it was perfect. The uplighting was brilliant, looked incredible and made such an amazing atmosphere at our wedding reception! I would highly recommend!

They were so amazing I can not recommend Supreme Events enough! Thank you!

Jess & Gavin - Venue: Horsley Park De Vere

Dear Anthony, James & Team

We have used Supreme Events for both our Daughter and Son's 18th Birthday parties and would now never use anyone else. Booking is so easy, and responses are prompt and professional. Nothing is too much trouble. You can select your own play list before the event, so you don't forget that all important song on the night! However, if you do forget, the DJ's are more than happy to take requests on the evening. They keep guests dancing all night! We had a real mix of youngsters to grandparents, and everyone had a dance!! The team are so friendly. The photo booth is a must!! It's a great way to get a photo of every guest, and makes great memories! Thank you so much to Anthony, you and your team have helped to make our kids special days perfect!

Corinne and James Young - House

Dear Anthony

I would like to thank you for a great job for our wedding back on July 7th, and here my testimony.

From start to finish the service was very prompt and professional regarding the deposit, payment and booking procedure.

Despite not having a great deal of time to fill in the playlist, we thoroughly enjoyed the music and PA service provided by Anthony.

During the evening, Anthony kept me informed of the itinerary as we were running late, but never put any pressure on us. We were very grateful that someone was keeping the time. The eventual playlist itself was great, all our favourite songs were played, and all the guests were happy with the entertainment overall. It is a true testament to the DJ that our guests were on the floor for hours until close, and never cleared as I can remember....

The cost overall was competitive to other vendors we had contacted. But we felt we got good value for money anyway.

Best Regards Danny Coldman - Great House, Sonning

Hi Anthony

The DJ was fantastic. He played all the right songs and judged the mood perfectly and played more up beat when necessary. No complaints!

Thank you once again and we would not hesitate to use you again.

Kind Regards Mr & Mrs Sheppard - Great House, Sonning

Hi Anthony & James

I've liked your Facebook page so I'll leave little review there. All the feedback I have for you is positive, you were great! Everyone loved the music and the photo booth went down a storm. Your time keeping was great and your setup and pack away was seamless. In terms of value we couldn't have asked for anymore! Needless to say we'll recommend you to anyone that has an event in mind. Thank you so much, Anthony.

Kind regards, Mr & Mrs Brett. - Great House, Sonning

Hi Anthony,

Tim and I would like to thank you so much for your great DJ-ing services at our recent wedding at The Great House. Everyone had a fantastic evening and the dance floor was literally packed from start to finish! The whole day was amazing and we couldn't have asked for more!

I wouldn't hesitate to recommend you to anyone and it was lovely working with you.

Many thanks, Sam & Tim - Great House, Sonning
